Stevens Stands Firm On His Threat Charges

Says Cohn Was Most Threatening; Rejects Banter Idea

WASHINGTON (AP)—Army Secretary Robert T. Stevens stood firm today on his charge that Sen. Joseph R. McCarthy and his aides "threatened" the Army to get preferential treatment for Pvt. G. David Schine.

In his 12th day in the witness chair, Stevens rejected any idea that the threats were "banter" or "ribbing." He said they were "exceedingly serious."

Stevens said Roy M. Cohn, McCarthy's chief counsel, was the most threatening. He repeated past testimony that Cohn made an angry "declaration of war" against the Army last October. He said it was "part of a pattern."

Stevens also attributed "threats" to Francis P. Carr, staff director of the McCarthy subcommittee.

The subcommittee, with Sen. Karl E. Mundt (R-S.D.) sitting as acting chairman, is investigating a row between the Army and McCarthy over Private Schine.

Return to Schine Issue

Before he was drafted Nov. 3, Schine was unpaid consultant to the subcommittee. The Army charges McCarthy, Cohn, and Carr sought by "improper means" to get preferential treatment for him. The McCarthy side charges Stevens and his associates used Schine as a "hostage" to get the senator to call off or soft-pedal an investigation of alleged espionage at the Ft. Monmouth, N. J., radar center.

Today's single session, the 21st since the hearings started April 22, got back to the Schine issue after days spent on other matters. One of these was McCarthy's possession of a secret, so-called "FBI letter" containing confidential material on certain persons employed at Ft. Monmouth in 1951.

Recess Until Monday

Atty. Gen. Herbert Brownell Jr. has said the "letter," though not an authentic document, does contain an authentic summary of material forwarded to the Army by FBI Director J. Edgar Hoover. He said it constitutes "unauthorized use" of confidential information and should not be published.

But before the start of today's session McCarthy said he will publish it unless Hoover himself objects. He said he would not be guided by Brownell's ruling. The Army, meanwhile, is trying to find out who gave the document to McCarthy. The senator refused to say—except that it came from a young Army intelligence officer.

After today's morning session the hearings were recessed until 10:30 a. m. Monday. Stevens presumably will return to the witness chair for further cross-examination then.

Auto Flies Through Air 100-150 Feet After Missing Bridge

A car last night flew between 100 and 150 feet through the air after missing a Route 45 bridge and its driver escaped with a small cut on his right thigh.

The car was wrecked but the driver, Lowell Thomas Mitchell, 24, of Carrier Mills, was able to tell what happened to State Police Officer Alexander.

Mitchell said he was travelling north on Route 45 just north of Stonefort about 8:15 p. m. and approached the first bridge on a curve. He said he was blinded by oncoming traffic and rain and missed the bridge completely.

The car knocked over four guard posts and sailed from the embankment through the air to the far side of the creek, landing on its wheels.

Alexander said the distance was between 100 and 150 feet.

To Discuss Coal Utilizing Plant At Benton Tonight

Plans and prospects for a coal utilizing plant to be located in southern Illinois will be discussed at a dinner meeting at the Franklin hotel, Benton, this evening.

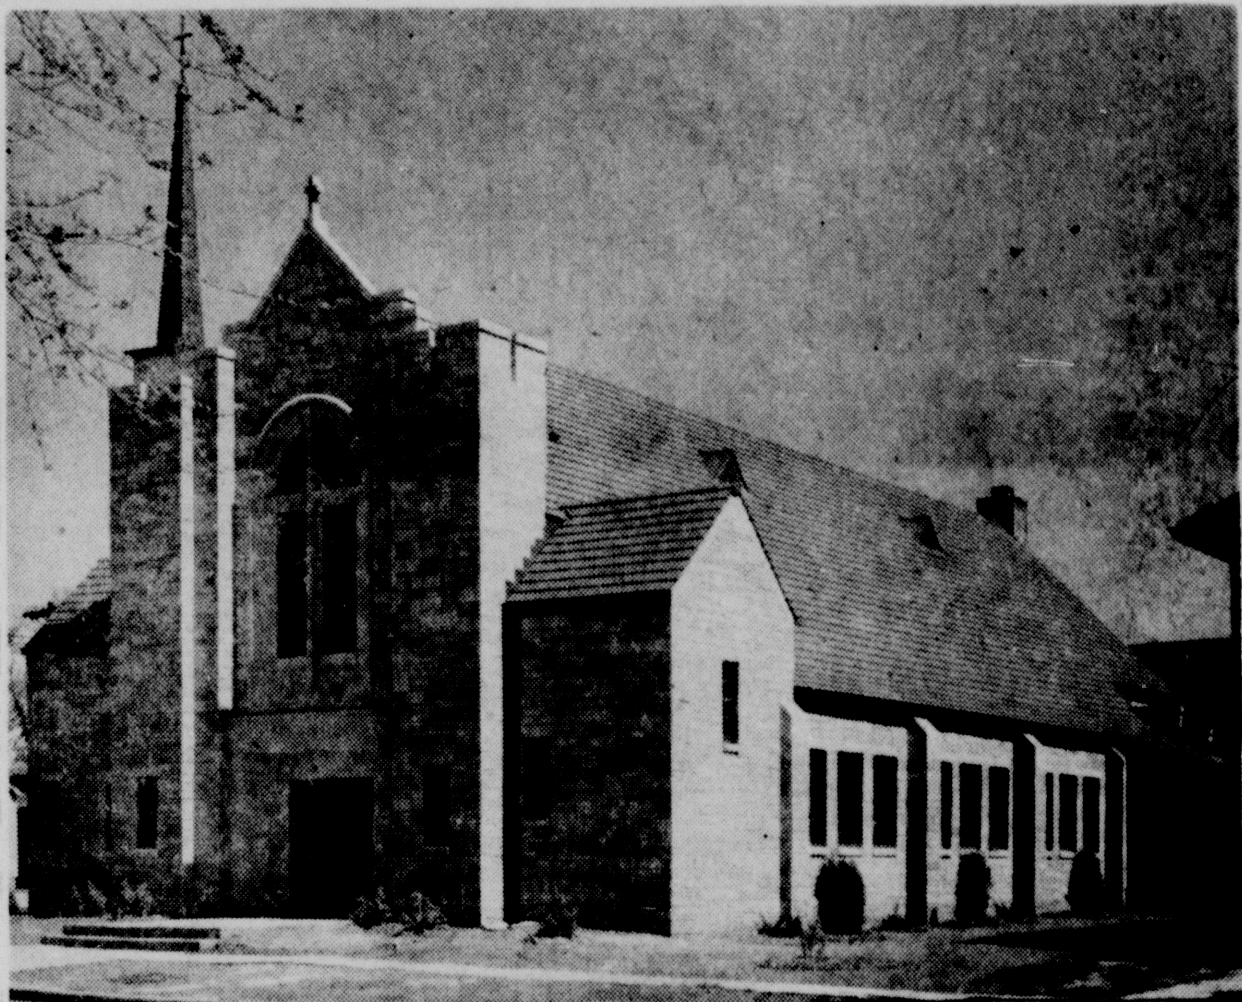

The meeting is sponsored by the Mineral Resources committee of Southern Illinois Inc. Speaker of the evening will be Joe K. Giffen, Donnan Company, Clarksburg, W. Va., and he will discuss a process for converting oil from coal.

Coal producers and others interested will attend the meeting, scheduled to start at 6:30 p. m.

Copper Wire Stolen

Approximately 200 pounds of copper wire, its insulation already removed, was stolen during the night from Peabody 40 mine, Sheriff Paul Spangler reported today.

New St. Mary's Church at Eldorado

DEDICATION SERVICES will be held Sunday for the beautiful new St. Mary's Catholic church at Eldorado. The new church is of Indiana limestone exterior and warm-toned random ashlar St. Meinrad Indiana variegated random ashlar. To Dedicate New St. Mary's Catholic Church at Eldorado Sunday

The beautiful new St. Mary's (Our Lady of Victory) church in Eldorado will be dedicated Sunday, May 9. This occasion will be an appropriate date since it comes in the Marian year and during May, the month dedicated to Mary, the mother of Christ.

Services will begin at 11 a. m. with the solemn blessing of the new church in which the Bishop and the clergy take part. The parishioners and the public do not enter the church until after it has been solemnly blessed.

Following the blessing a Solemn Pontifical Mass will be chanted by Most Rev. Albert R. Zurawski, Bishop of Belleville.

Rev. Ignatius Esser, O. S. B., Arch Abbot of St. Meinrad's Abbey and Seminary, St. Meinrad, Ind., will preach the dedicatory sermon.

Officers of Mass

Officers of the Pontifical Mass will be Arch-Priest Very Rev. Wm. E. Trombley, Holy Angels church, East St. Louis; deacon of Mass, Rev. Wm. H. Brandmeyer, Dahlgren; subdeacon of Mass, Rev. Michael Podrasky, Sparta; first master of ceremonies, Rev. Gregory Holtgrave, secretary to the Bishop; second master of ceremonies, Rev. Thomas Bruns, Harrisburg; deacons of honor, Rev. Theodore Eckermann, Popopolis; Rev. Walter Myerscough, Carmi; honorary deacons to Father Abbot Esser, O. S. B., Rev. A. B. Schomaker, Salem, and Rev. Wm. Wigmann, Ridgway.

St. Joseph's choir of Equality, under the direction of Rev. Edward J. Ratemann, will furnish the music. Rev. Fred M. Halbig, Centralia, will lead the chanting of the Psalms and Litany of All Saints.

Fourth degree Knights of Colum-

bus, under the direction of Sir Knight Robert A. Meissner, Master 4th Degree, Southern district of Illinois, will provide a guard of honor for the Pontifical ceremonies of the dedication.

Bequeathed \$160,000

The new St. Mary's church was made possible by the late Thomas J. Mahoney, a life-long citizen of Eldorado and for fifty years a trustee of the church, who died April 11, 1950. In his will, Mr. Mahoney bequeathed \$160,000 to St. Mary's congregation for the specific purpose of erecting a new church. The remaining funds have been contributed by members and patrons of the church.

The pastor of the church, Rev. W. E. Hanagan, and lay trustees, J. J. Basinger and C. A. McDonald, selected the firm of A. F. and Arthur Stauder of St. Louis, Mo., as architect, and contract for the erection of the new church was awarded to A. M. Norman and Son, Marion, in October 1952.

The old frame church was taken down and most of the work on the new church was accomplished in 1953.

The new church has a seating capacity of 342 on the main floor and about 50 in the gallery.

Recover Third Body from River

The body of David Conaway, 24, Fairfield, was recovered from the Ohio river Thursday. The body was found by Game Warden Martin Turley near Clark's station a mile and a half above Golconda.

The body was the third recovered from a boating accident last Friday night in a rainstorm near Cave-in-Rock. The body of Johnny Hollinger, 13, Mill Shoals, the fourth drowning victim, is still to be recovered. Others recovered are Charles Reynolds, found Saturday, and Ray Merritt, found Wednesday morning.

Guy Parrish, Fairfield, former WEBQ radio announcer, was the only survivor of the accident.

Mrs. Dale Sullivan Returns from Funeral Of Father in Michigan

Mrs. Dale Sullivan has returned from Wayne, Mich., where she was called by the sudden death of her father, Elbert E. Dempsey.

Mr. Dempsey died April 25 after a two-day illness and the funeral service and burial were April 28 at Wayne.

Mr. and Mrs. Dempsey, who moved to Wayne from Equality 12 years ago, resided at 3343 Pershing street.

Besides Mrs. Sullivan and her mother, Mr. Dempsey leaves three sons, John, Earl and Cedric, all of Wayne.

Democrats Hit Republican Foreign Policy

Party Leaders Signal Strategy for November Campaign

WASHINGTON (AP)—Democrats hammered the administration today with their biggest assault on Republican foreign policy since President Eisenhower took office.

Party leaders signaled the switch to more aggressive opposition in a round of speeches at their \$100-a-plate Jackson-Jefferson Day dinner Thursday night.

It was clear as the two-day rally broke up that the Democrat strategy for the November congressional campaign will be to hit the Republicans from foreign as well as every angle.

Heretofore they have generally soft-pedaled foreign policy issues to concentrate on such domestic matters as farm and tax issues.

Significantly, the roughest attack at the fund-raising dinner came from Senate Democratic Leader Lyndon B. Johnson, one of the chief architects of the wait-and-see course Democrats followed during Mr. Eisenhower's first year in office.

Ovation for Acheson

Johnson said the administration's handling of the Indochina crisis has "humiliated" the United States and brought on the most "stunning reversal" in U. S. diplomatic history.

Former President Truman, in a typical off-the-cuff talk, also touched on the foreign policy issue, saying the United States cannot retain free world leadership "if we insult our allies and friends." He promised to have more to say in a speech here Monday.

House Democratic Leader Sam Rayburn said the only change the administration has made in the foreign policy originated by the Democrats "is to administer it in a sorry fashion."

The 1,500 paying guests who dined on capon, broccoli and candied yams gave one of their loudest ovations to the introduction of former Secretary of State Dean Acheson, a chief target of GOP attacks when the Democrats were in power.

Hit Army Hearings

Johnson and Rayburn threw some of their strongest punches at the Army-McCarthy hearings, describing them variously as "silly," "circus luxuries" and "TV spectacles."

Rayburn, recalling the GOP campaign promise to "clean up the mess in Washington," suggested that the Republicans have created the "biggest mess yet."

Adlai E. Stevenson, the 1952 Democratic presidential nominee who could not attend because of a recent kidney operation, sent a message saying he had undergone "a probe more delicate and penetrating, if not more painful, than the current Washington spectacle."

Find \$5,900, Part Of Bank Loot

OLMSTED, Ill. (AP)—The FBI said today that \$5,900 found buried under a school house by two children was believed to be part of the loot from the \$20,000 holdup of the First State Bank of Olmsted.

Two children came upon the money under a small schoolhouse at the edge of town Thursday and turned it over to their teacher, Mrs. Laura White. She notified authorities.

Richard N. Hostensy, agent in charge of the Springfield FBI district, said there was "no positive proof" as yet the money was part of the loot from Wednesday's hold-up, but "the guess is it is money from the bank."

Hostensy said a count showed \$5,900 in the schoolhouse cache, compared to \$20,000 reported stolen from the bank.

Three Negroes robbed the bank. They forced three employees into a vault, scooped up the money and fled in an automobile.

Hostensy said the FBI had "nothing to report" on the search for the three robbers and the rest of the bank loot.

Olmsted is a village of 600 on Ill. 37, about 15 miles northeast of Cairo.

Crossville Girl Elected Miss Carmi

Miss Pattie Parson, Crossville, was selected as Miss Carmi last night from a parade of 22 other beauties. The contest, sponsored by the Carmi Junior Chamber of Commerce, was held in the Washington grade school gymnasium.

Evelyn Fesmire, McLeansboro, placed second, and Evelyn Berger, Carmi, third.

Miss Parson will enter into the Miss Illinois contest to be held in Cairo May 22.

Agriculture Department to Sell Surplus Gov't Butter Overseas at Lower Prices

WASHINGTON (AP)—Dairy Bloc congressmen today praised a surprise Agriculture Department offer to sell up to a third of a billion pounds of government-owned butter abroad at sharply reduced prices.

The action, taken with the specific approval of the White House, clears the way for possible early sale of 40 million pounds of butter to Britain.

Rep. August H. Andresen (R-Minn.), House dairy bloc leader, said he fully approved the move but added that he is still hopeful some of the 350 million pounds of

surplus butter can be made available to American consumers.

The department's offer to sell foreign countries butter at or near world market prices—about 15 cents a pound below American prices—made no mention of any limit on foreign sales. But the announcement pointed out that U. S. exporters will have to obtain export licenses from the Commerce Department.

Commerce Secretary Sinclair Weeks is not expected to reverse his stand on refusing cash sales to Russia or behind the Iron Curtain at prices lower than those the American housewife pays.

The department's offer reversed a stand previously held by the administration. Agriculture Secretary Ezra T. Benson at an April 12 press conference said:

"In the case of butter, which is a pretty sensitive item, I felt all along that we could not offer it for sale abroad at less than our domestic consumers pay for it."

Spokesmen said today that to prevent foreign complaints that the U. S. plans to "dump" butter on world markets, officials will accept only bids which would not undercut world prices.

They added a domestic disposal plan is receiving serious consideration. The House Agriculture committee Wednesday said that had "grave doubts" such a plan can be worked out under existing laws.

Dulles spent almost 90 minutes with Mr. Eisenhower. He refused to discuss with newsmen the reports of a French four-point proposal for an armistice in Indochina.

"There are so many stories that if I tried to comment on them all I would not have time to write my speech," Dulles said.

Dulles will speak at 7:30 p. m. CST.

Dulles prepared his address as it became known in Geneva that the United States, Britain and France have reached general agreement on a four-point plan for stopping the war in Indochina.

But Dulles was not expected to touch on the cease fire plan in his speech. He planned to confine his remarks to policy matters in Indochina and Geneva and defend the stand the United States has taken.

Wiley Lashes at Critics

These policies were under severe criticism by the Democrats in an assault which is fast developing as their biggest yet on administration foreign policy.

Senate Democratic Leader Lyndon B. Johnson charged last night that the administration's handling of the Indochina crisis has led to the most "stunning reversal" in U. S. diplomatic history. House Minority Leader Sam Rayburn also jabbed hard at GOP foreign policy in a party rally here.

While Johnson, Sen. Guy M. Gillette (D-Iowa) and other leading Democrats have opened up a heavy barrage on Dulles' policies, Republicans have come to his defense.

Sen. Alexander Wiley (R-Wis.), chairman of the Senate Foreign Relations Committee, lashed out against administration critics in a speech Thursday night in Princeton, N. J.

He warned that the American people must be willing to make sacrifices, perhaps in blood, if they consider Indochina worth saving from Communism. However, in a letter to a Boston newspaper, he also said it would be "undesirable and unnecessary" to send in U. S. troops.

Question Four Youths in Thefts Of Auto Parts

Two Eldorado youths, one formerly of Eldorado and now working as a mechanic in St. Louis and a lad from Junction today were questioned by city and county officers about parts and items that had been stolen from vehicles in this area recently.

They are Joe Woods, 21, and Richard Murphy, 18, of Eldorado, John Pulliam, 18, of St. Louis, and Claude Miller, 19, of Junction.

They were picked up last night on the Wiley Motor Co. used car lot by City Policemen John Stinson and Paul Abney. The officers said a wheel was being removed by one of the boys. Woods and Pulliam were released when one of the others said they had nothing to do with the act but they were brought in for questioning this morning.

An investigation last night led to a tire and two hub caps that had been hidden in a field northwest of town.

Former Resident Dies Near St. Louis

Mrs. Amy Gallener Miller, former resident of Saline county, died Thursday at 11 a. m. at her home near St. Louis, Mo.

The body was returned to Vienna where the funeral will be Saturday at 2:30 p. m. at the Vienna Methodist church. The body is now at the Murrie funeral home.

Ends 57-Day Siege Against Gallant Defense

Only Isolated Artillery Outpost Still Holds Out

HANOI, Indochina (AP)—The French fortress of Dien Bien Phu fell to overwhelming hordes of Communist Viet Minh attackers today, ending a 57-day siege.

The end of the gallant defense against overwhelming odds was announced officially here and in Paris where Premier Joseph Laniel gave the news to the French public.

Only the isolated artillery post, "position Isabelle," located three miles south of the main fort, still held out, the announcement here said.

The end came after a savage 20-hour battle in which the Communists used 20,000 men to give France its worst military defeat since World War II.

The Paris announcement by Laniel said the fortress was conquered when the Communist troops, who had been surrounding it nearly two months overran its central defenses.

The news was given by Laniel to the National Assembly.

The French command post of garrison commander Brig. Gen. Christian de Castries, but only after the proud and hawknosed hero of Dien Bien Phu had ordered his own artillery to shell his command post if the Communists took it.

The French military press chief at Saigon said Dien Bien Phu had "accomplished its mission."

In Hanoi, a press officer pronounced the eulogy and benediction on one of history's heroic military stands by a handful of tormented and gallant men.

"Dien Bien Phu has fulfilled the mission which was assigned to it by the High Command," he said.

The fate of the estimated 9,000-man garrison, including its wounded and a lone nurse in its underground medical stations, was not immediately known.

Another 2,000 men were at "position Isabelle" which now was at the mercy of the full 40,000-man force of the Reds. About half the total Communist strength was used in the final assault on Dien Bien Phu, the French estimated.

The Communists had not attacked the isolated "Isabelle" position recently. But it could not hope to hold out against the full force now certain to be thrown against it.

Communist "human avalanches" delivered the coup de grace against the pitifully outnumbered defenders in an attack that began at 10 p. m. Thursday.

Post after post of the fortress was overrun by the Reds.

Five posts were overrun in rapid succession on one side of the fortress. Another fell on the opposite perimeter.

Just before the end was announced, French headquarters said the Reds had thrust their deadly pincers within 800 yards of a junction directly in the center of the flaming fortress.

Eisenhower Praises Gallant Fight

WASHINGTON (AP)—President Eisenhower said today the gallant fight in defense of Dien Bien Phu will stand forever as a symbol of the free world's determination to resist aggression.

Mr. Eisenhower expressed his admiration in a letter to French President Rene Coty soon after it was announced that the embattled fortress finally had fallen to the Communists.

"The entire free world has been inspired by the heroism and stamina displayed by the gallant garrison at Dien Bien Phu," Mr. Eisenhower wrote.

Senate Shelves Eisenhower Bill To Revise T-H Law

WASHINGTON (AP)—The Senate today shelved President Eisenhower's program for revising the Taft-Hartley labor law.

On a crucial vote, the Senate approved a Democratic motion which sent the administration revision bill back to the Senate Labor Committee.

The vote to recommit the bill was 50 to 42.

The 50 comprised 46 Democrats, 3 Republicans—Sens. William Langer (N.D.), George W. Malone (Nev.) and Milton R. Young (N.D.)—and independent Wayne L. Morse of Oregon. A solid lineup of 42 Republicans opposed recommitment.

The action all but killed administration hopes for revising the politically touchy labor act at the present session of Congress.

It was one of the worst legislative defeats suffered by the administration since President Eisenhower took office—perhaps the worst on legislation which had actually reached the floor of the Senate.

Big 3 Reach Agreement on Indochina Pact

GENEVA, Switzerland (AP)—France, Britain and the United States have reached general agreement on a four-point blueprint for ending the Indochina war, diplomatic officials said today.

France, which has most at stake in Indochina, plans to introduce the blueprint Saturday at the scheduled beginning of peace negotiations.

Informed Western sources said French Foreign Minister Georges Bidault sent the plan to the French cabinet for final approval Thursday shortly before Premier Joseph Laniel won a vote of confidence from the National Assembly on his Indochina policy.

Diplomats in Washington said the blueprint would leave the Communist Viet Minh rebels in control of part of Viet Nam, one of the three Associated States of Indochina.

U. S. sources at the conference said the blueprint calls for:

1. Complete withdrawal of Communist forces from Laos and Cambodia, two of the Associated States.

2. A complex armistice re-grouping in Viet Nam, largest of the states and scene of the major fighting. The Reds would pull troops out of the Hanoi-Haiphong delta area in north Viet Nam and a "no man's land" would be set up around the area.

3. International guarantees against reinforcements of the Red strongholds during the armistice.

4. Eventual free elections under supervision of the United Nations.

Rebels would not receive any territory they do not already hold, diplomats noted. The question was whether the Communists would accept it.

Moline Woman Heads IFWC

CHICAGO (AP)—Mrs. Don E. Williams of Moline was elected president of the Illinois Federation of Women's Clubs Thursday. She succeeds Mrs. Wade W. Reece of Chicago.

Others elected to two-year terms at the close of the club's convention here were Mrs. Walter N. Sutherland, Kenilworth, first vice president; Mrs. M. E. Bruce, East St. Louis, vice president and director of the southern region; and Mrs. E. C. Sullivan, Watseka, junior director.

**A Tough Customer — Logical — Golden Rule? —
Cancer Increase Expected — Change of Heart**

WASHINGTON—(NEA)—The Ge-
neva peace conference again brings
face-to-face, as adversaries, Chou
En-lai, Chinese Communist prem-
ier-foreign minister, and Walter
S. Robertson, U. S. Assistant Sec-
retary of State for Far Eastern
affairs.

At the end of World War II, Rob-
ertson was U. S. commissioner at
the executive headquarters of the
Marshall Truce Commission in
Peiping. There, the principal Com-
munist he had to deal with was
Chou En-lai. The two men came to
know each other very well, and
each gained a wholesome respect
for the other's abilities.

There are two sharply conflict-
ing versions of what kind of a man
Chou is. The more favorable view
is that Chou gained a great respect
for Gen. George Marshall during
the truce commission days.

There was a time, according to
one source, when Chou was al-
most won over to accepting the
American point of view on uni-
fication of China and an alliance
with anti-Communist forces. This
period of collaboration came when
General Marshall came back to the
U. S. as Secretary of State.

The other view of Chou is that
he is a completely dedicated Com-
munist. Acting under the Com-
munist principles of ethical conduct,
he will lie, cheat, steal and con-
done mass murder, starvation and
torture to attain his objectives. On
several occasions, he double-crossed
General Marshall outrageously.

BRIG. GEN. Carlos P. Romulo
of the Philippines gives this ex-
planation for why India's Prime
Minister Nehru behaves the way
he does:

"Put yourself in his place," says
the general. "He knows that the
U. S. will never attack or invade
India. He isn't sure of what Sov-
iet Russia will do. It might or-
der a sneak attack on India some
night. So it is only natural that
Nehru would appease Russia,
which he does fear, at the risk of
not appeasing the United States,
which he does not fear."

THE EISENHOWER administra-
tion has another potential Astin
case in the shabby treatment and
summary dismissal given to Fed-
eral Housing Commissioner Guy
T. O. Hollyday. The action was
taken on the recommendation of

Housing Administrator Albert M.
Cole without any explanation, with-
out any knowledge on Hollyday's
part of what the charges against
him were and without any oppor-
tunity to explain his action.

Dr. Allen V. Astin, head of the
bureau of Standards, was some-
what similarly fired by Secretary
of Commerce Sinclair Weeks. But
scientists rallied to support Dr.
Astin, and he was reinstated. What
Hollyday needs, to get vindication
and his job back—if he wants it
—is some well-organized support
from the housing and mortgage
banking industry.

Mr. Hollyday's real trouble was
that he was "too nice a guy." He
had visited most of the 75 FHA
field offices and replaced 45 office
heads.

But he gave them all time to
find other jobs. But the golden
rule backfired on Mr. Hollyday.
He wasn't done by as he had done
to others.

THE NUMBER of Americans af-
fected by cancer may be expected
to increase by about 50 per cent
in the next 25 years, according to
a U. S. National Cancer Institute
survey.

Two reasons given are the in-
crease in population and the in-
crease of older people. In 1940
the number of new cancer cases
in the U. S. was 380,000. In 1950
it was 479,000. Projections indi-
cate that it will be 656,000 in 1965
and 753,000 in 1975, with over a
million cases under treatment in
that year.

ADM. LEWIS L. STRAUSS,
chairman of the Atomic Energy
Commission, used his "retrospec-
tive" the other day to recall an
experience with the late Sen. Smith
W. (Wildman) Brookhart of Iowa.
This was back in 1933, shortly
after Senator Brookhart was de-
feated for re-election. Strauss was
in the investment banking business
in New York then.

Into his office one day came
Brookhart and a friend with a
shiny, long mahogany box contain-
ing a new model infantry rifle.

What they wanted was a loan
to build a factory and finance the
manufacture of the rifles.
Mr. Strauss shook his head. "Sen-
ator," he said, "I would rather not
be in business than to engage in
financing the manufacture of any-

thing to kill people with."

GOOD COOKS PLAY an impor-
tant part in maintaining airline
safety, according to Civil Aeronau-
tics Administrator F. B. Lee.
Speaking at the air safety forum
of the Airline Pilots Association,
Lee observed:

"I've heard it said that the most
significant factor in a safe flight
is how well a pilot's wife cooked
his breakfast eggs. If this is true,
you must have married excellent
cooks, because the safety record
of our scheduled airlines is one
of steady improvement."

**Teachers' Salaries
In Illinois Range from
\$2,400 to \$6,500 Yearly**

CHICAGO (UP)—The average an-
nual salary for a beginning teacher
in Illinois is \$3,066, a survey by
the State Chamber of Commerce
showed today.

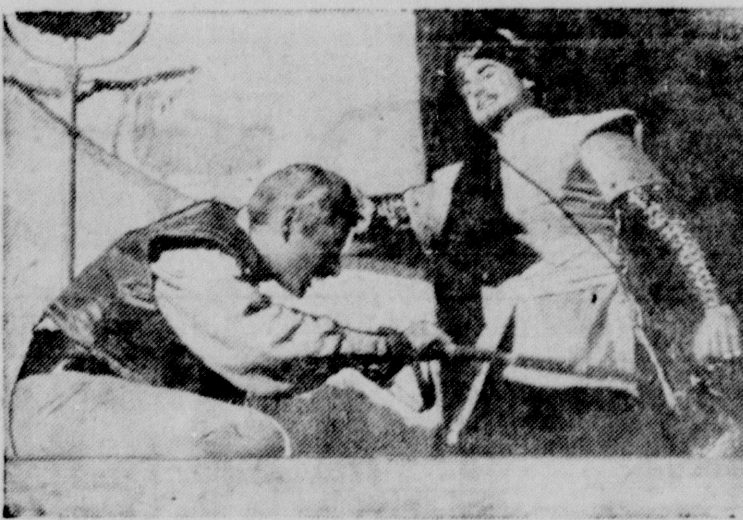

The survey said that salary sched-
ules in the state range from \$2,400
to \$5,200 in smaller communities
and from \$2,700 to \$6,500 in larger
communities.

Seven per cent of Illinois schools
give an annual allowance for de-
pendents ranging from \$50 to \$600,
the chamber's study found.

The survey said that unlike many
Midwest states, Illinois law prohib-
its extra pay for male teachers.

St. Ann's Altar Society Holds Monthly Meeting

St. Ann's Altar society of St. Mary's Catholic church met Wednesday evening in the church hall for the regular monthly meeting. The meeting was opened by prayer by Rev. T. G. Bruns, followed by reports from the committees. Mrs. Wm. Zimmer, chairman of the Altar committee, asked that those who had flowers please bring them to the church and four ladies volunteered to decorate the altars during the month of May. Mrs. W. I. Reynolds, chairman of the Sick committee, reported five birth congratulations and one convert card sent last month. Mrs. Agnes Schneider, chairman of the Literary committee, asked for donations of books and magazines for the church library.

Mrs. Dave Evans reported on the meeting of the Eldorado Deane of the National Council of Catholic Women at Dahlgren April 9, and Mrs. Ed. Harold reported on the Day of Recollection held at Mt. Carmel April 26.

It was decided to have a dinner for the graduates of the Harrisburg Township high school some time in May and Mrs. Victor Humm was appointed chairman of this affair.

For the devotion, Mrs. Walter Wheatley led in the recitation of the Rosary before a shrine of the Blessed Virgin Mary, beautifully decorated with candles and roses, which had been prepared by the hostesses.

Mrs. Marie McCormick, program chairman, introduced Mrs. Rose Garavalia who presented Girl Scout Troop No. 16 in a play on the "Life of Juliet Lowe."

Refreshments of homemade sandwiches, cookies and coffee were served from a tea table with a miniature May pole made of ribbon and roses for the center piece, surrounded by arrangements of roses, by the hostesses: Mrs. Andrew Salus, Mrs. Edward Kezely, Mrs. Robert Schneider, Mrs. John Molinarolo Sr., Mrs. J. J. Klein, Mrs. Steve Pfister, Mrs. Louis Aaron, Mrs. Wm. Rodgers and Mrs. Rose Garavalia.

Mrs. Otis Reynolds Hostess
Circle A of the McKinley Avenue Baptist church met at the home of Mrs. Otis Reynolds Wednesday afternoon for the regular program which opened with the song, "Jesus Saves," and with prayer by Mrs. Guy Worthington.

Following the business session Mrs. Ruth Gaskins led in prayer, and Mrs. Hugh Rann gave the devotion, taking her scripture from Luke 16:19-25, Matt. 10:42, 14:15-16. Mrs. Kirt Gasaway gave the topic "The Missionary Ford" written by Jewel Abernathy, and Mrs. Oscar Agin talked on the subject "Harvest in Japan" by Mary Neal Morgan. The closing prayer was by Mrs. Reynolds.

The next meeting will be held at the home of Mrs. Agin.

Refreshments were served to Mrs. Kirt Gasaway, Mrs. Ruth Gaskins, Mrs. Hugh Rann, Mrs. Mollie Irvin, Mrs. Carsa Gardner, Mrs. Guy Worthington, Mrs. Oscar Agin, and the hostess, Mrs. Reynolds.

Rice Sisters Show Colored Slides To Historical Society

The Saline County Historical society formulated plans for the spring meeting of the Southern Illinois Historical society which will be held in Harrisburg on Friday, May 14.

The program for the evening meeting will be a paper, "Entertainment and Amusements in Cairo, 1848-1858," read by Harold C. Briggs, chairman of the history department at S. I. U.; and a discussion on "Early American Firearms" by James Bond, teacher and collector of Galatia.

The local group enjoyed an illustrated talk by the Misses Louise and Kathryn Rice about their trip to the Near East. The colored slides depicted their journey through Egypt, showing scenes of Cairo, the pyramids, and the Sphinx to Beirut and over the famous Lebanon mountains to Damascus; then down to Jerusalem and Bethlehem. Especially interesting were pictures of St. Paul's window, the Jordan river, Garden of Gethsemane, and the Dome of the Rock, a Mohammedan shrine. The final slides showed the Acropolis at Athens with the ruins of its famous buildings.

Miss Pat Watson, daughter of Mr. and Mrs. Ralph Watson, Eldorado, read her article on the Negro college in Eldorado. This appeared in the Junior Historian.

Colored slides of the Bald Knob Easter service and aerial views of the Ohio river were shown by John Foster.

Wedding Shower In Honor Of Mr. and Mrs. Bob Stilley

Mr. and Mrs. Bob Stilley were honored with a wedding shower recently at the home of his parents, Mr. and Mrs. Dallas Stilley, 1415 South Granger.

Gifts were received from Mr. and Mrs. Howard Moore, Mr. and Mrs. Louie Bennett, Mr. and Mrs. Alfred Oglesby, Mr. and Mrs. Bob Followell, Mr. and Mrs. Elmer Stilley and children, Marlin, Edna Ruth and Lowell, Mr. and Mrs. George Reynolds, Rev. and Mrs. Webb Largent, son, Jimmy, Mrs. Fannie Booten, Mr. and Mrs. Henry Stilley and children, Lola and Leon, Mr. and Mrs. W. D. Frohock, Mr. and Mrs. Kenneth Bragg, Mr. and Mrs. Bill Stilley, Mr. and Mrs. George Aldridge, Verba and Bertha Reynolds, Mrs. Sarah Reynolds and children, Philip and Mary Ellen, Everett Ferrell, Mr. and Mrs. Logan Milligan.

Mrs. Wanda Evans, Miss Fayette Oglesby, J. E. Johnson, Mr. and Mrs. Clifford Hull, Mr. and Mrs. Virgil Raymer, Bessie, Donna and Helen Brantley, Mr. and Mrs. Eugene Yates, Mrs. Johnson, Mr. and Mrs. Tom Partain and daughter Nora Janet, Mr. and Mrs. Henry Scott, Thomas Scott, Ilene Carnett, Mr. and Mrs. Bob Elam, Mr. and Mrs. Ralph Hull, Mr. and Mrs. Milo Hull and sons Garry and Larry, Mrs. Lizzie Hull, Mr. and Mrs. Willie Souheaver, Dwight Hull, Mrs. Fannie Gates, Mrs. Betty Williams, Mr. and Mrs. Ezra Ewell, Mr. and Mrs. Earl Killman and Mr. and Mrs. Dan Gholson.

First Christian Loyal Daughters Class Meets

Mrs. Bess Hagler of Garden Heights was hostess Tuesday evening to the Loyal Daughters class of the First Christian church. The meeting opened with the members repeating the Lord's Prayer, after which roll call was answered with Bible verses containing the words of praises.

The devotion on "The Life of Christ," expressing the joy and hope of life eternal, was given by Mrs. Gladys Parker, who presided over the meeting.

The business discussion was on the clean-up program which will be in order soon. The meeting closed with the misph benediction.

Entertainment was conducted by Mrs. Frank Borders with awards going to Mrs. Blake Johnson, Mrs. Ben Williams, Mrs. John Poulcs, Mrs. Hagler, Mrs. Paul Robertson and Mrs. Frank Gray.

Mrs. Poulos assisted Mrs. Hagler in serving lovely refreshments to those mentioned and to the following: Mrs. Carl Corrie, Mrs. A. E. Parks, Mrs. Frelan Smith, Mrs. Elizabeth Noakes, Mrs. Wayne Brackney and Mrs. Leonard Gooden.

Crescent Home Bureau Unit Honors New Members at May Day Luncheon

New members of the Crescent Home Bureau unit were honored at a lovely May Day luncheon with Mrs. Ronald Coon, 120 West Logan, as hostess.

Corsages were presented to the guests: Mrs. Roger Taylor, Mrs. Edgar Price, Mrs. James Stunson, Mrs. Robert Rose and Mrs. James Johnson. The buffet table was attractively covered with a pink cloth and centered with an arrangement of pink flowering blossoms.

Mrs. Paul Vinyard, general chairman for the party, was assisted by Mrs. Alonzo Shewmake Jr., Mr. Carl Woolcott and Mrs. Howard Coyle.

Luncheon was served to Mrs. Gene Irvin, unit chairman, Mrs. Tom Cleveland, Mrs. Darrel Piper, Mrs. Frank Jarrell, Mrs. Thekla Patten, Mrs. C. Wayne Brown, Mrs. Cecil Harris, Mrs. Rosemary Rubio, Mrs. Eugene Neihaus, the honored guests, committee members and the hostess.

Miss Ramona Butler And Robert Fort Marry

Miss Ramona Butler and Mr. Robert Fort Marry are announcing the marriage of their daughter, Ramona Jean, to Robert G. Fort, son of Mr. and Mrs. Roy Fort, Carrier Mills.

The couple was married Saturday, April 2, in Corinth, Miss.

The bride attended the Harrisburg Township high school, and the bridegroom is a graduate of the Carrier Mills Community high school.

Miss Mildred Harris and Mrs. Will Harris, Carrier Mills, were in Carbondale Wednesday where they heard Mrs. Eleanor Roosevelt speak at the Southern Illinois university.

Mrs. Charles Burroughs and son, Stephen Dale, Knoxville, Iowa, are spending this week visiting her parents, Mr. and Mrs. Walter Hancock, and Mr. and Mrs. Ralph Burroughs.

Army Junta Rules Paraguay

ASUNCION, Paraguay (AP) — A junta ruled Paraguay today following the ouster of President Federico Chaves by Army cavalry forces.

There was no word on the fate of Chaves, president of Paraguay since 1949. Neither was there any report on casualties during the revolt.

The ruling council is headed by Tomas Romero Pereira, a civil engineer and a member of the Colorado Party of which Chaves was a leader.

Egyptian Golf Ass'n Plans Tee-Off Picnic, Tournament

The Social Activities committee of the Egyptian Golf association announced plans for a "Tee-Off Picnic and Tournament" to be held May 16 at 1:30 p. m. at the Country club.

Members and their families are being contacted and potential club members will also be invited. The picnic dinner will be followed by a golf tournament. This is the first of the series of many social affairs for club members.

The Social Activities committee, Robert Rushing, chairman, H. E. Mitchell Jr., Howard Coyle and Pat Sullivan, will be assisted by Mrs. Rushing, Mrs. Mitchell, Mrs. Coyle, Mrs. Sullivan, Mr. and Mrs. Gean Hancelman, Mr. and Mrs. Bruce Polk, Mayor and Mrs. Ralph Horning Jr., Mr. and Mrs. Tom Wolf and Mr. and Mrs. F. G. Hendrix.

Deny Motion to Dismiss Indictment Against Evan Dale

EAST ST. LOUIS (AP) — United States Dist. Judge Fred L. Wham Thursday denied a motion to dismiss an indictment charging Evan R. Dale, Southern Illinois Labor leader, with evading \$6,975 in federal income taxes for 1947.

The court rejected Dale's contention of prejudice on the part of the jury which indicted him.

Dale, president of the Southern Illinois District Council of the AFL Building Laborers Union and a resident of Carbondale, also is under federal indictment on labor racketeering charges.

Sentence Two To Gas Chamber For Kidnaping

SAN FRANCISCO, Calif. (UP) — A jury of six men and six women that decreed the gas chamber for Harold Jackson and Joseph Lear in the Moskowitz kidnaping case agreed from the outset the men were guilty, the foreman said today.

Charles H. Quast, a bank executive, said the jury was "unanimous in our first ballot" Wednesday afternoon that Jackson and Lear were guilty of conspiracy to commit the kidnaping.

"The rest of the time was really spent in deciding the degree of the penalty," Quast said. "That is, whether bodily harm and a deadly weapon had been used."

The jury retired at 2:53 p. m. Wednesday and reached agreement at 4:35 p. m. Thursday, after 12 hours and 21 minutes of deliberation.

It found the defendants guilty of kidnaping and conspiring to kidnap Leonard Moskowitz, 36-year-old real estate broker, last Jan. 16. The jury also found that he was subjected to bodily harm and that a deadly weapon had been used.

Ask New Trial
The jury did not exercise its privilege of recommending life imprisonment without possibility of parole. That meant the two men must be executed in the San Quentin gas chamber.

Attorneys for the defendants moved immediately for a new trial and Superior Judge Twin Michelson set next Tuesday for hearing. Death sentences also are automatically appealed to the state Supreme Court. Jackson and Lear became the second and third persons to be sentenced to death under California's "Little Lindbergh Law." The only other person so sentenced was Carvel Chessman, Southern California kidnaper who is to be executed a week from today.

Jackson and Lear were seized Jan. 19 and charged with holding Moskowitz in a rented house for 61 hours. The abductors originally asked Moskowitz' well-to-do father, Maurice, for \$500,000 ransom, but later reduced it to \$300,000.

A newly developed rocket propulsion motor has the power of two 2,000-horsepower locomotives. This may be applied to aircraft, gliders, torpedoes, aircraft carrier catapults and landing craft. It could be mass produced economically and works on fuels that are plentiful, developing ten tons of thrust at full throttle.

Orval Buchanan Rites Sunday

The funeral of Orval Buchanan, farmer living on RFD 4 north of Harrisburg who died suddenly yesterday at 9 a. m., will be Sunday at 2 p. m. at the Mt. Pleasant Baptist church north of Raleigh.

Rev. John Henshaw will officiate, assisted by Rev. Joe Rose, and

burial will be in Sunset Lawn cemetery. The body was taken from the Gibbons funeral home to the family residence where it now lies in state.

Six Million People Now Receive Social Security

Social security in the United States is only seventeen years old but this teen-ager has a pocket-book that makes over four and a half million "sixty-five year olds" sit up and take notice.

Early growth of this program of old-age and survivors insurance was slow, but like all youngsters, it eventually began to shoot up. Since September 1950, when Congress made the last major changes in the system, the number of beneficiaries has doubled. A total of six million people are now receiving \$254 million a month in benefits from the program that came into being in 1937. In 1953, total payments for the year came to three billion dollars. That's a larger amount than the Republic's total Federal budget for many years of its history.

At the end of 1953, the social security system was making monthly payments to 45 per cent of the country's fatherless children under age 18, to 252,000 young widowed mothers, 563,000 aged widows, widowers, and aged dependent parents of deceased wage earners, 885,000 wives of retired workers, and finally, to 3,125,000 retired workers, both men and women.

The ramifications of this steadily growing system are impressive. Six million people, which is more than the combined populations of Chicago and Los Angeles, with an assured annual income of three billion dollars, present an enormous market for merchants and businessmen and act as a stabilizing influence on an economy that might otherwise have to use its resources supporting its erstwhile and future supporters. The economic aspects are more than matched by the moral and social nature of the program, since these six million aged workers, widows and orphans are guaranteed some measure of financial independence when the earned income of the family breadwinner stops.

Scholarship Fund Established by Marion Graduate

MARION, Ill. (UP)—Paul Grady of Greenwich, Conn., has established a \$20,000 scholarship fund for graduates of Marion High School from which he graduated in 1918.

Two scholarships not to exceed \$500 will be awarded annually to a boy and girl graduate of the school. Three trustees of the fund will determine the awards. Grady, a partner in Price, Waterhouse & Co., a New York accounting firm, is a member of the Hoover Commission studying reorganization of the government.

Development of a new sonar set will be a great aid to fishermen. The set not only pictures schools of fish on a television-like screen, but reveals the size of the school, where it is, which way it is going, and how fast it is traveling.

TO CONDUCT REVIVAL. Elder and Mrs. Woodrow Thomas of Indianapolis, Ind. (above), will conduct revival services beginning Sunday and running through May 16 at the Apostolic Church of God on East Elm and Lewis streets. Elder Willie Harris is the pastor and welcomes the public.

Turn Down Soviet Bid For NATO Membership

GENEVA (UP)—The United States, Britain and France today formally turned down a Soviet bid for membership in the anti-Communist North Atlantic Treaty Organization.

In a note to the Soviet government the three Western powers also rejected a renewed Russian demand for acceptance of a Kremlin plan for European security.

The note answering a Soviet communication of March 31, was handed Russia's Foreign Minister V. M. Molotov today and will be made public tonight, authoritative sources said.

Lovers' Lane Slayer Dies in Electric Chair

COLUMBIA, S. C. (UP)—A Negro who confessed murdering a young Air Force veteran and severing the head of his teenage woman companion died in the electric chair today.

Six reporters and a throng of officers crowded into the state prison execution room with 24 holders of visitors' passes to see Raymond Carney, 38, die as the confessed lovers' lane slayer of H. B. Allen, 22, and Betty Cain, 15, last Dec. 6.

Klassen Advises Against Drought Aid to Cities

Sends Recommendation To Stratton After Survey of Four Towns

SPRINGFIELD (UP)—Gov. William G. Stratton was advised today that drought conditions in five Southern Illinois communities do not warrant proclaiming a state of emergency.

C. W. Klassen, chief state sanitary engineer, said he based his recommendation on a survey of conditions at West Frankfort, Valier, Johnston City and Du Quoin, which sent Stratton resolutions asking for help to solve water problems.

Klassen said he felt last week's rains had brought enough relief to the area that the situation did not require that a state of emergency be declared.

He said a plan for building a large reservoir on the Big Muddy River, proposed by a southern Illinois delegation, would be of direct benefit only to Benton.

There is also the possibility that Sesser could tap into this proposed reservoir, he said, "but it would not be so convenient as for Benton."

The other cities which signed the resolution would have to get their water by connecting with the Benton or Sesser distribution line requiring "considerable" pipe and a "thorough hydraulic study," Klassen said.

Stratton's office meanwhile released a report by State Natural

History Survey Chief A. M. Buswell on the water shortage in central and southern Illinois as of April 30.

Buswell said 18 communities still were "hampered by shortages caused by the drought" on that date.

Stratton Plans Political Speeches

SPRINGFIELD (UP)—Gov. William G. Stratton plans to make "four or five major political speeches" after Oct. 1 as his part in the Illinois election campaign, his office said today.

The governor will make the talks where occasions and audiences warrant and may also make a "couple" of television campaign speeches, aide William W. Downey said.

About half of the speeches by the governor in support of the Republican candidates will be made downstate and half in Chicago, Downey said.

Ever See around a Corner?

THE stunning new windshield you find in every 1954 Buick does a lot more than merely keynote the most modern beauty of the times.

Just take the driver's seat in any one of these tomorrow-styled cars and you'll feel positively eagle-eyed.

That spectacular sweep of glass broadens your point of view to the right and to the left.

It puts more safety in your seeing. It lets you see more of what's coming from the sides—and quicker and easier, too—because the corner posts are pulled 'way back.

This, you realize, is true panoramic visibility—and makes anything else seem as outdated as long skirts.

But you ought to look into what else goes with the dream-car styling of these great new Buicks.

You ought to look into the whip-like performance of true high-compression V8 engines that reach new horsepower highs.

You ought to look into the silky new ride, the sweet new handling ease, the utter smoothness and instant response of Twin-Turbine Dynaflo.

Most of all, you ought to look into the sensational new Buick CENTURY that's taking the country by storm—the great new Buick performer that gives you more horsepower per dollar than any other car in America.

We cordially invite you to come in today or the first thing tomorrow—to see and drive one of these great new Buicks—and judge for yourself that here is the beauty and the buy of the year, by far.

Navy Plane Crashes on Mexican Hillside

CORPUS CHRISTI, Tex. — A rescue team struggled through rough terrain today toward the wreckage of a Navy patrol plane which crashed with a crew of 10 Wednesday night on a Mexican hillside.

"There is no indication anybody

is alive," a spokesman at the Corpus Christi Naval Air Station said. "But we can't give up hope even though it looks pretty grim."

The plane crashed on a 3,000 foot hill, 10 miles south of Carules, Mex., about 50 miles inland and 90 miles southeast of Brownsville, Tex.

The plane, a PBM or World War II patrol bomber, was last heard from at 11 p. m., EDT, Wednesday, when it radioed it was 75 miles east of Brownsville.

The wreckage was discovered at 3 p. m., Thursday, by one of the search planes whose crew reported it could see no sign of life.

Crew members and students on the crashed plane included:

Lt. Harold 'enaings' 33, pilot and

Committee Says It Proves Case On Army Athletes

WASHINGTON — A House Armed Services subcommittee investigating alleged Army "codding" of drafted athletes cut short its hearings today on the ground it already has proved its case.

Chairman William E. Hess (R-Ohio) said only two or three more of the 10 "case histories" in the subcommittee's file would be aired at what he thought would be the group's final hearing this afternoon.

He announced the change in plans after the subcommittee introduced evidence that:

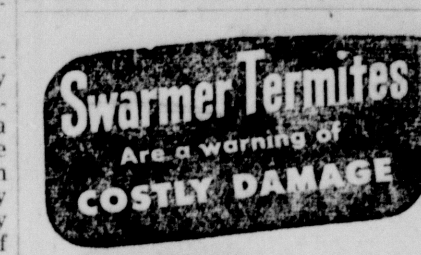

1. Featherweight Champion Sandy Saddler last Jan. 15 was busy knocking out Bill Bossio of Pittsburgh at the St. Nicholas Arena in New York when normally he would have been on GI duty in Europe. He had gotten a 30-day leave to come home, then a 15-day emergency extension because of his wife's illness. It was during the 15-day period that he fought Bossio.

2. Boston Red Sox pitcher Richard S. Brodowski was pulled out of his company and held at Ft.

DIX, N. J., as a truck driver and repairman until it was too late to send him overseas. Hess said he believed this was done so Brodowski could play on a regimental ball team.

"I think we have established the pattern," Hess said. "Also the Army has announced it is taking steps to guard against favoritism to athletes in the future. To that extent we have accomplished our purpose."

Hess said the subcommittee probably would quit after considering the service records of Sugar Ray Robinson, former middleweight boxing champion; Willie Mays, New York Giants centerfielder; and possibly one other of the big-name sports figures on the subcommittee's list.

Traffic Safety Program Over WEBQ Monday

Citizens of southern Illinois will get a chance to hear "Dead Stop," an outstanding radio documentary on traffic safety, when Station WEBQ presents the program in the public interest at 7:30 p. m. Monday, May 10.

"Dead Stop" is being presented in co-operation with the National Safety Council and the Harrisburg Police department as one of the most vivid broadcasts ever presented on the subject of traffic safety. Highlights of the program include interviews with a man lying on the street waiting for an ambulance, a woman speeder who insists she was "doing only 40," a couple of boys who were racing on the highway, a drunken driver, and a tape recording of a conversation in which a woman is being told by the police that her husband has been killed in an accident.

Twenty-seven news and special events men took part in recording the various features of the documentary in such places as Louisville, Ky., St. Louis and Kansas City, Mo., Trenton, N. J., Phoenix, Ariz., San Diego, Calif., Philadelphia, Pa., and in the state of Texas.

Specific problems of accident prevention are discussed briefly by Ned H. Dearborn, president of the National Safety Council; Dr. Herbert J. Stack, director of the Center for Safety Education at New York university, and others.

The narrator for the documentary is Red Barber, popular radio announcer, whose wife lost her mother in a traffic accident in Jacksonville, Fla.

"This documentary deserves a hearing in every community in the United States," said the National Safety Council. "Accidents are no respecter of persons or places and they may take lives at any time, at any place. The Council sincerely believes that 'Dead Stop' can be an outstanding public service contribution in any community in which it is booked. That is why it is doing everything it can to get the documentary heard more widely. No serious-minded person can listen to this broadcast and not feel the need for doing something personally to help stop the traffic accidents which take 104 lives a day on the average."

Wilson Elected To Office by Illinois Group

SPRINGFIELD — James W. Dunbar, Springfield, Sangamon County probate clerk, today was elected president of the Illinois Association of County Officials.

Other officers named at the final session of the group's 67th annual convention included Denby R. Borings, Carlinville, vice president; C. A. Pierce, Rockford, corresponding secretary; George W. Henderson, Galesburg, recording secretary; R. Dale Wilson, Harrisburg, sergeant-at-arms, and Laurence Tanneys, Decatur, reelected treasurer.

Officers of four affiliated groups were named Thursday. New officers of the Illinois Association of Supervisors and County Commissioners are Harold P. Dunton, vice president; B. F. Johnson, Decatur, secretary; Ben Day, East St. Louis, treasurer, and Orville Oglesby, East Alton, president of the association's Zone one. Jack DeRosa, Wheaton, was named president of the County Treasurers Assn. Arthur A. Gross, Springfield, is first vice president; James Cashin, Taylorville, second vice president; Roy Jones, Mount Vernon, third vice president; D. R. Jacobson, Pontiac, fourth vice president; Byron W. Hunte, Joliet, secretary, and Paul W. Clausen, Galesburg, treasurer.

Robert J. Strough, Watseka, was elected president of the Circuit Clerks and Records Assn. Don Wikoff, Urbana, was chosen president of the Coroner's Assn.

Johnny Temple Paces Reds To 5-4 Win Over Giants; Cubs Top Dodgers, 8-7

By CARL LUNDQUIST
United Press Sports Writer

Johnny Temple is one of those players who missed a shot at "rookie of the year" honors because of a part major and part minor league existence, but he is shooting for stardom with Cincinnati this year as one of the National league's most improved batters.

Second baseman Johnny figures that he used to spend his summers partly in Cincinnati, partly in Tulsa, and mostly on train rides between the towns, but now on the shuttling is a thing of the past.

Today he was strumming his bat at a .378 hit rate average and he was also personally responsible for moving the Reds back into second place, half a game behind the idle pace-setting Phillies.

There was big competition between Temple and Rocky Bridges this spring, not only for the second base job but for who could handle the biggest wad of chewing tobacco. Bridges claimed the tobacco chewing championship but Temple, at least for awhile, has nailed down the infield post.

Paces Reds to 5-4 Win
Thursday, Temple paced the Reds to their second straight victory over the Giants, 5-4, driving in the winning run in the eighth and getting two other key hits. Lefty Harry Perkowski, who held the Giants to eight hits, weakened in the top of the inning and yielded a two-run homer to Hank Thompson but Temple quickly restored

the advantage with a single after a hit batsman by relief pitcher John McCall and a sacrifice. Randy Jackson, another hot spring hitter, touched off the winning 11th inning rally with a single, moved to third on Ernie Banks' double and scored on George Shuba's left field error on the Banks' hit as Chicago topped Brooklyn 8-7. Milwaukee made it three straight over Pittsburgh 3-0. Lew Burdette pitched five hit ball. In the American league, rookie Al Smith's first homer of the year proved the winning run in Cleveland's 3-2 night victory over Philadelphia, while the Yankees blanked Baltimore 9-0 and Chicago topped Washington 5-4. Detroit at Boston was rained out.

Ed Mathews drilled two singles and picked up two walks to pace the Braves behind Burdette, who let only one Pirate get beyond first, Curt Roberts with a triple in the third inning.

White Sox Win, 5-4

Hal Jeffcoat, the former outfielder, gained his first pitching victory for the Cubs in a relief role as Jackson, Hank Sauer and Dee Fondy hit home runs. Gil Hodges hit a Brooklyn homer.

Ex-National leaguer Willard Marshall drove in the winning run with a ninth inning single as the hot White Sox came from behind to defeat the Senators 5-4. Roy Sievers had put Washington in front with a homer but Camilo Pascual, Cuban rookie making his first start, yielded a two-out double to Nellie Fox in the ninth. Minnie Mingo singled for his fourth straight hit to tie the score and after Ed Yost fumbled Bob Boyd's grounder for an error, Marshall got the winning hit.

Allie Reynolds pitched one-hit ball for seven innings, then left with a cramp in his leg in New York's easy victory over Baltimore. Irv Noren got three hits and Yogi Berra hit a homer while Joe Collins got a triple and double.

Smith's homer, combined with Early Wynn's seven-hit pitching, enabled the Indians to edge the Athletics. Arnold Portocarrero, Philadelphia rookie, also gave only seven hits but suffered his first loss when Smith homered in the eighth. Vic Power homered for the Athletics.

Thursday's Stars: Johnny Temple of Cincinnati who got three hits and drove in the winning run with a single in a 5-4 decision over the Giants.

Equality Enters Six In District Meet

Coach "Kay" Willis has entered six members of his Equality high school track squad in the Carbonate district track carnival today. Those who will participate and their events are Junior Wood, and Cletis Butler, mile run; John Honora and George Teegarden, half mile; R. A. Stille, quarter mile and Eddie Brooks, 220 yard run. Wood finished second in the event last year behind Equality's former top mile ace, Bob Pitchers.

Equality Trips Bull Dogs in Seventh, 5 to 3

Carrier Mills Beats Shawneetown In Subdistrict Play

Equality will meet Marion Monday and Carrier Mills will face Golconda Tuesday in the Harrisburg subdistrict baseball tournament after dropping Harrisburg and Shawneetown out of the meet yesterday afternoon while the rain fell.

Harrisburg was coasting to a 3 to 0 win over Equality until the first of the seventh and last frame when the doghouse roof fell in on the Bull Dogs. In this inning the Red Birds scored all five of their runs to win, 5 to 3, in the contest played at Taylor Field.

Carrier Mills nipped Shawneetown, 3 to 2, in a game played simultaneously on the town park diamond, the Wildcats scoring twice in the seventh to overcome a 2 to 1 deficit.

Triple Cleans the Bases
Don Beal took the mound for the locals against Gene Frohock, Equality lefty, and did very well until the last frame although there were signs of his weakening in the sixth.

The locals scored two in the first and one in the fifth and seemed headed for a victory, but two walks and an error filled the bases for Equality in the first of the seventh and at that point pitcher Frohock pulled a triple to left center that cleaned the bases. Frohock and another Equality batsman came in to score and clinch the victory.

Darrel Powell finished up on the mound for Harrisburg but the damage had been done. For the locals Jim Cummins got two hits, Don Beal one and Dave Anglin, a pinch hitter, one. For Equality Frohock had two, and Patton, Brooks and Butler one each.

Newsom Homers
Over on the town park diamond it was Cowger for Carrier Mills vs. Garrison Newsom for Shawneetown with Nolen taking over for Newsom and an infielder, Leon Evans, coming in to hurl to two batters for Carrier Mills with Cowger, who changed places, going back to the mound.

Carrier Mills scored its first run in the first and this held up until the fifth, when Shawneetown scored on a hit, fielder's choice and error. And in the sixth Newsom hit a home run into the lagoon to put the Indians ahead 2 to 1.

The Wildcats of Carrier Mills won in the seventh, however, when Redwine, catcher, tripled to score a base runner and came in himself on a bunt down the first base line.

Harrisburg, Mt. Vernon Tie for First in Junior High Track Meet

Harrisburg and Mt. Vernon tied for first place in the annual invitational track and field meet held by the Harrisburg Junior high school at Taylor Field yesterday afternoon.

Twelve schools entered the affair and the locals and Mt. Vernon finished on top with 31½ points each. The meet had a thrilling finish. With the relay remaining West Frankfort had 28½, Harrisburg 27½ and Mt. Vernon 26½ points. Mt. Vernon was first, Harrisburg was second and Frankfort fifth

English Runner Sets Record With 3:59.4 Mile

OXFORD, Eng. — Blond, burly Roger Bannister, who stands at the pinnacle of sports fame as history's first four-minute miler, said today that now he would like to run in a match race against America's Wes Santee and Australia's John Landy.

Bannister said that such a meeting might lower still further the fantastic 3:59.4 record he set at the Illey Road Track Thursday in smashing forever the four-minute "time barrier" in mile racing. "I think it could be a great race now if I could run against Santee and Landy," said the 25-year-old medical student. "I don't know whether anybody would be interested in whether I can lower my record time. But I would be more interested in trying to beat Santee."

"At least," said the charmingly modest hero of the track and field world with a laugh, "I don't have to worry about Santee or Landy beating me to the record any more. I thought that a meeting of the three of us might push one to the record, but when it came it was a race entirely against the clock."

Bannister put his finger on one aspect of his now historic race that surprised the experts — he shook off his closest pursuer 300 yards from home and went the rest of the way alone on the strength of an amazing finishing spurt that British fans have come to call "a Bannister special." The experts had expected the record to fall in a race where two runners pressed each other all the way.

Chris Chataway, a colleague who had trained himself loyally for the purpose of driving Bannister through the first three quarters of a mile in exactly three minutes, fulfilled his role in the drama perfectly. After Chris Brasher had set a blazing pace for the first half mile, Chataway then raced stride for stride with Bannister and they passed the three-quarter mile in 3:00.7.

That put the record within Roger's reach and the strapping blond took it from there with a heart-pounding 58.7 clocking for the last

in this event; so the local and Mt. Vernon boys tied for first and Frankfort finished third with 29½.

The points accumulated by the other schools entered: Herrin 24½, Du Quoin 20½, Centralia 16, Christopher 7½, Orient 6, Johnston City 5, Valer 4½, Sesser 2½ and Murphysboro 1.

Fleming of Mt. Vernon was the individual star of the meet, capturing first places in the 100 yard dash, 50 yard dash and broad jump and looking a lot like Jim Stokes as he burned up the cinders.

Harrisburg got only one first, Billy Joe Yates being top man in the broad jump, but piled up points by scoring in nearly all the events.

The summaries:
Hurdles: Ingram JC, tie for second between Glassini Cen and Edwards WF, Clark Hbg, Hawkins WF. Time 15.15.

Discus: Patterson DuQ, Farmer Val, Druce Hbg, Murrie Hbg, Doughty Her. Distance 130-4.

440-yard dash: T. Cook Chris, Caither MV, Sigler WF, Cook DuQ, Biggs Hbg. Time 60.5.

880-yard run: Box Her, Blake WF, Rodewald DuQ, Robertson Chris, Willis Hbg. Time 2:19.6.

50-yard dash: Fleming MV, Murray Cen, tie for third between Druce of Hbg, and Patterson of DuQ, Hines Murph. Time 6.1.

Pole vault: Tie for first between Baker of Her and Edwards of WF, tie for third between Cavalletto of Sesser and Jamison of WF; Joiner Val. Height 8-6.

220-yard dash: Sesock WF, Alsopp Hbg, Yates Hbg, Neidalski Cen, Tilley DuQ. Time 25.5.

High jump: Yates Hbg, tie for second between Neidalski Cen and Rodgers MV, Hendricks Her, Mutchek Orient. Height 5-1.

100-yard dash: Fleming MV, Sesock WF, Alsopp Her, Tilley DuQ, Druce Hbg. Time 11.8.

Broad jump: Fleming MV, Sesock WF, Biggs Hbg, Rodewald DuQ, Harris MV. Distance: 18-3.

Shot put: Florian Orient, Abell Hbg, Marlow MV, Reid Cen, Murray Cen.

Relay: Mt. Vernon, Harrisburg (Drew, Clark, Abell, Yates), Du Quoin, Herrin, West Frankfort.

quarter-mile Chataway hung on gamely until 300 yards from the end, and then fell back to finish in 4:07.2.

En route to the most amazing blocking in track history, Bannister passed the first quarter in 57.7 seconds. He clocked 60.6 seconds for the second quarter and 62.4 for the third. At the 1,500 meter mark, he was timed in 3:43 flat, thus equalling the world record for that distance held by Gundar Haegg of Sweden, Lennart Strand of Sweden, and Werner Lueg of Germany.

Merchants Play Carterville Here Sunday

If the weather man is willing the Harrisburg Merchants will entertain the Carterville Stars Sunday afternoon at the town park diamond.

Carterville always has one of the better clubs in this area and many fans will remember the pitching duel of last season between "Lefty" Seats and John Romonosky, who edged Seats by a narrow 4-3 margin.

Seats probably will be missing from the Carterville lineup since he is still playing high school ball. The young southpaw has several pro contracts awaiting his signature as soon as school expires.

Harrisburg will send Billy McNew out to seek its fifth win of the season with Dick Romonosky catching. McNew has looked good in two relief roles so far, allowing only one hit in three innings. Dunbar, Freddie Williams, Dick Odle and Harold Guiley will round out the infield with Parton, Logsdon, Bob Williams, Malone and Hay

To Dedicate New St. Mary's Church at Eldorado Sunday

(Continued from Page One)

Random Ashlar with Indiana limestone trim. Practically the entire interior wall facing of the church has been executed in St. Meinrad, Indiana variegated Random Ashlar, giving a warm color note throughout.

The main or ground floor provides a spacious entrance vestibule, Baptistry, nave, sanctuary, sacristies and side entrance vestibules. The fuel room, boiler room and storage room are located in the basement. From the main entrance vestibule a stairway leads to the choir loft.

The main ceiling, sanctuary and choir loft has acoustical plaster, colored to harmonize with the warm tones of the St. Meinrad stone.

All floors throughout the ground floor are of asphalt tile over concrete.

Marble Altars
The roof of the church is steel covered with fireproof concrete and gypsum with unfading red Ludowici interlocking clay tile.

The main marble altar is surrounded by an ornamental Baldachin with polychrome and bronze ornaments especially designed and executed by Architectural Bronze Studios, Inc., St. Louis. Also especially designed are the bronze cathedral lanterns in the nave with built in sound equipment, bronze tabernacle, ornamental metal Baptistry gates, main and side altars, bronze candlesticks, ornamental and bronze communion railing, ornamental metal Sedilia and Credence table.

The main altar is of red Altico and St. Genevieve Golden Vein marble. The two side altars are of St. Genevieve Golden Vein marble with Verde Antique marble trim.

The hand carved wood Stations of the Cross were fashioned by an Italian artist.

Art Glass

Art glass for the windows and doors were especially designed. The windows in the south wall of the nave depict the church year. The first twelve windows in the north wall depict the life of Christ, while the remaining windows in the north wall represent the Seven Sacraments. The three north sanctuary windows depict the sacrifices offered in the Old Testament and the three south sanctuary windows refer to the perfect sacrifice of the New Law. The west windows of the Baptistry have symbols relating to Baptism.

Oak pews have been used throughout.

Parish officers and dedication committee members are Mrs. Pat Collins, Charles Collins, Mrs. C. A. McDonald, Raphael Berkel, Mrs. Ernie Webster, Guido Boscarine, Mrs. Guido Boscarine, Robert Muenstermann, Mrs. Roy Cook Sr., Roy Cook Jr., Mrs. Sam Doah, Gilbert Rider, Mary Beth Craig, Thomas Craig, Mrs. Carrie Taggart and Catherine Collins.

Organized in 1900

The first St. Mary's church congregation at Eldorado was organized on June 30, 1900, and was recorded by Father J. Bernard Hater, who had called the organizational meeting.

Records show Thomas J. Mahoney, J. Phil Collins and J. B. Asbrook were selected as the building committee. The first building was constructed by W. A. McGregor and Company of Mt. Vernon, Ind., at a total cost of \$2,286.

The dedication of the church was under the title of "Our Lady of Victory" and took place April 10, 1951, with Bishop J. Janssen of Belleville, officiating. There were 15 priests in attendance.

Father Hater lived at St. Joseph's, Equality, and cared for St. Mary's at Eldorado as a mission attached to Equality.

Father Joseph A. Roken succeeded Father Hater on Dec. 31, 1944, and was in charge until Father Lawrence Gilmartin took over as the first resident pastor on Feb. 9, 1944.

Father Gilmartin built the rectory in 1942, purchased the five acre cemetery tract in 1945 and built and opened the school in 1922.

Rev. Hanagan Pastor Since 1934

On July 5, 1928 Father Julius Schoen replaced Father Gilmartin at Eldorado and remained until Sept. 20, 1934, when Father W. E. Hanagan, the present pastor, replaced him.

From 1922 to 1935 the St. Mary's parochial school was staffed by Incarnate Word Sisters out of Victoria, Texas. Since that time Notre Dame Sisters from Maria-Ripa, St. Louis, Mo., have been in charge.

St. Mary's parish in Eldorado has brought forth one secular priest, Father Michael Podrasky, presently pastor of Our Lady of Lourdes church, Sparta; one seminarian, Walter Barr, a student of philosophy at St. Mary of the Lake Seminary, Mundelein, Ill., and one nun, Sister Mary Blanche, a member of the Incarnate Word order, now teaching at Nazareth Academy, Victoria, Texas.

Unemployment Drops, First Time Since October

WASHINGTON (AP) — Unemployment dropped in April for the first time since last October, the government reported today.

The Commerce and Labor departments announced there were 3,465,000 jobless during the week ended April 10, compared to 3,725,000 one month earlier—a drop of 260,000.

The joint report said there was evidence that unemployment continued to drop in the later weeks of April.

The report said employment during the April survey week was about 500,000 higher than in March. It listed the total number of persons with jobs at 60,598,000. This was the third straight month in which the employment total rose.

Employment increased in farming, trade, construction work and other activities which usually rise in the spring, but it continued to decline in manufacturing industries.

The Census Bureau said the 200,000 increase in agricultural employment was smaller than usual. April's 60,598,000 employment total was lower than last April but higher than April, 1952. The new unemployment total still was higher than in April of both 1952 and 1953.

This April's unemployment decrease follows the pattern of declines in each April of the last 14 years.

Employment has increased in April in 12 of the last 14 years—all but 1951 and last year.

C119 and American Crew is Missing Over Indochina

HONG KONG (AP)—A C119 "Flying Boxcar" flown by an American civilian crew is missing on a flight over Indochina, it was announced today.

It was not known whether the plane was shot down by enemy aircraft fire while flying supplies to besieged Dien Bien Phu or forced down over the Indochinese jungles.

Such planes normally carry a three-man crew. Their loss would be the first American casualties of the Indochina war since the United States loaned the C119s to France.

The announcement was made by A. T. Cox, president of the privately operated Civil Air Transport Airline.

Cox said he would fly to Hanoi, the port for Hanoi, to investigate.
